

Soft closing system for doors

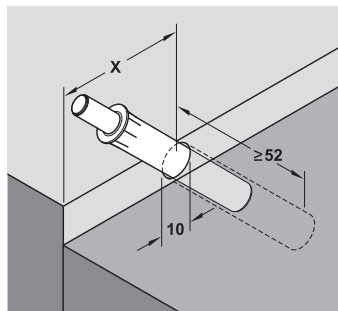

> 3 versions available for maximum closing convenience

> Material: Plastic
> Colour: Grey
> Installation: For inserting into adapter housing or plug fitting into Ø 10 mm drill hole

Installation

Installation recommendation

Light-duty: Centre of cabinet side panel opposite hinge side

Medium-duty: Centre of cabinet top panel

Heavy-duty: Cabinet top panel, closer to pivot point

The choice of the correct version (duty) and the exact mounting position depend on the door width, door weight and the hinges that are used. Trial mounting is recommended.

Determine dim. X by trial mounting.
